Fortador is based on many years of experience and it is answer for our customers' needs. Heart of **FORTADOR Steam & Vacuum Cleaner** is boiler and burner, coming from an excellent manufacturer - Lamborghini. The highest quality of the combustion system and low diesel consumption enable even faster return on investment. The additional power control in the range of 16.6 - 36.6 kW allowed setting operating pressure at 16 bars.

**FORTADOR PRO PLUS Steam & Vacuum Cleaner**

<b>Power Supply:</b>	120V
